

Supporting our Military since 2004

Sew Much Comfort began as an act of kindness for a wounded service member who had to unceremoniously receive his purple heart in a hospital gown because there was no adaptive clothing available to accommodate his fixator. What we soon realized was, our wounded are receiving world class medical care, but not the specialized clothing needed to support their recovery process. Sew Much Comfort has stepped in to fill this void by providing FREE adaptive clothing to replace the ill-fitting hospital gown.

Sew Much Comfort's FREE adaptive (Velcro closures) clothing is provided to all branches of the Military and National Guard. Many injuries require large fixators, prosthetics or casts that are too bulky to fit under ordinary clothing. Without our adaptive clothing, wounded service members are limited to wearing hospital gowns during their recovery. Sew Much Comfort adaptive clothing allows them to wear normal looking adaptive clothing which enhances their comfort and dignity during their recovery process.

We provide adaptive clothing at many military hospitals and are set up to ship to individual service members as well. Sew Much Comfort is the only support charity providing FREE adaptive clothing for the Military. Our Mission is to provide wounded service members something better to recover in than a drafty hospital gown.

Sew Much Comfort has provided **148,500** pieces of adaptive clothing over the past 11 years. We are truly blessed and greatly appreciate our amazing volunteers, donors and partners who have helped us to "honor, remember and support" our wounded service members as they recover from their injuries and transition back into their communities. Everyone's generosity is making a real difference for our wounded and for that we are forever grateful.

Sew Much Comfort continues to operate with low administrative overhead of 2.2%. That means 97.8% of every dollar donated to SMC is being spent providing FREE adaptive clothing to our wounded service members
