

## LAS VEGAS SEW GIRLS

The Las Vegas Sew Girls, the first and only chapter of “Sew Much Comfort” in Nevada and located right here in Sun City MacDonald Ranch, is very proud to accept the certificate of Volunteer

Excellence from the national headquarters. This is a great honor for our group as we have been in full operation for only four months. The volunteers who meet twice monthly to sew adaptive clothing for our wounded military will proudly wear the “Sew Much Comfort” lapel pin.

The sewing team is made up of these great ladies:

Gisela Brenner	Fran Desangro
Ingrid Figger	Delores Mueller
Edna Yang	Barbara Mason
Marilyn Patritti	Barbara Margolis
Joyce Sarch	Johannah Lockwood
Emilie Karczewski	

They perform a service that is greatly appreciated and they will continue as long as there is a need.
